

NATIONAL PRO FASTPITCH™

YOUTH PARTNERSHIP PROGRAMS

National Pro Fastpitch would like to introduce a new and exciting partnership program that will provide opportunities to develop and inspire your clientele, players, coaches, fans, and staff! Become an Official Developmental Partner of the NPF today!

NPF Official Developmental Partnerships are divided into 3 categories: Park Partner, Performance Partner, and Playing Partner. These three categories encompass all types of training facilities, gyms, travel ball teams, leagues, sports organizations, recreation departments, and parks.

By partnering with the NPF, you are supporting the growth of women's professional softball, the highest level of competition in fastpitch softball. It is extremely important to support the highest level and feature the incredible athletes of the NPF, as this is what so many little girls who play softball aspire to do when they grow up—play professional softball!

Through the development of this ODP program, we would like to form a direct line of communication, mentorship, influence, motivation, and inspiration from the pro's to the grassroots athletes and programs. The trade off for the NPF is a network of young softball players, enthusiastic players, and fans that will help support the growth of the professional game.

Benefits of Becoming an Official Developmental Partner (ODP)

- NPF Banner (1) 3 x 5 mesh grommeted banner provided for display at park, facility, and or league venue. Banner will designate your facility or park as an Official Developmental Partner of the NPF. Additional banners and/or uniform patches are available.
- Website Listing and Link on NPF website - Reciprocal
- Facebook and Twitter Mentions – 1 per week per year- Reciprocal
- Autographed/Personalized Display Items (minimum 1 per year)
- Discounted Tickets to NPF events – Regular Season, Championship Series, Back to School Tour, Camps, Clinics, and Speaker Series - You will be given a specific code to use or number to call to get specially discounted tickets for events. This will be a special privilege for all ODP's.
- Opportunity to become licensed NPF merchandise vendor - This may be a way for you to make additional revenue through your pro shop. NPF will give special terms and also has some creative ways to help eliminate your overall inventory risk on NPF merchandise.
- NPF Clinic Priority Host - Your group will be given priority in clinic scheduling and also will have the benefit of registering early for premier clinics and camps. It can be very difficult to individually track down and schedule with professional players. NPF League Office will alleviate all of that for you and deliver to you a turn key camp, clinic, or speaking engagement.

NPF Speaker Series Access

Your group will be given priority in Speaker Series scheduling and also will have the benefit of registering early for SS events that may not be held by your organization. It can be very difficult to individually track down and schedule with professional players. NPF League Office will alleviate all of that for you and deliver to you a turn key camp, clinic, or speaking engagement.

Equipment Manufacturer Introduction

NPF will make introductions between ODP's and our sponsor partners. This can potentially help lead to additional support for your organization.

Equipment and Apparel Discounts

- 10% Discount on all NPF merchandise purchased through the www.profastpitch.com
- 10% Discount on all training items purchased through www.shopclubk.com
- Possible discounts on equipment and apparel from NPF manufactures.

\$250

PARK PARTNER will include single parks and/or full complexes. This category will fit partners that host more than one league or team in their park and would like the ODP to encompass all activities held at the particular location.

PERFORMANCE PARTNER is designed especially for training schools, training clubs, training groups, individual private coaches and teachers, and camp/

clinic groups or organizations. This category will allow a facility, individual, or organization to involve their students and/or clientele in the Official Developmental Partnership.

PLAYING PARTNER is the group that likely best suits individual teams, organizations of teams, leagues, tournament groups, etc. This will allow teams that may not be in a specific park every week or weekend to still have the ODP involvement.
